Challenge Objective: *Incentive program for members to turn unfinished objects into works of art while generating funds for the JAXMQG.*

Rules:

Participants pay \$10 to the JAXMQG to enter the challenge and enter up to 10 unfinished objects that were started prior to the beginning of the current program calendar year; members may join at any time during the year. .

Each month, members update their challenge sheets with the UFO Coordinator and for every completed UFO item shown at a guild meeting, member's name is entered into monthly drawing for quilty prize.

Members may submit a second challenge sheet of 10 UFOs for another \$10 at any time during the year once their initial challenge list is completed. Items may be added one at a time.

The annual drawing will be held at the holiday gathering in December. Members will have their name entered into the annual drawing as many times as they had documented completed UFO items.

The name drawn at the annual drawing will receive one half of the UFO entry funds collected during the year and the JAXMQG Treasury will receive the other half of the funds, as this is a 50/50 drawing.

Items must be totally completed (quilted and bound) and presented at a guild meeting (or show the challenge coordinator a completed picture if it is gifted prior to a meeting) to be considered eligible for the monthly and annual drawings.

Items may be altered from the original plan, for example: project started as a king size quilt and member finished it as a table runner.
