April 19th - JAXMQG Quilters Market

We will be hosting a JAXMQG Quilters Market after the April Meeting. Members are invited to rent a table for \$10 to sell their destash or handcrafted items. Sharing a table is allowed if two or three members want to combine their items. It's a great time of the year to clean out your stash, or sell your handmade goods. The event will be marketed to visitors. More details to follow!
